Dedication

Jane C. Lucchesi

We, the Class of 1964, dedicate this Chronoscope to Mrs. Jane C. Lucchesi. We wish to thank her for her help, patience, and understanding in the classroom as well as in the library. No words can express our sincere and humble gratitude for her many years of service.

Superintendent's Message

"Did you ever think as you participated in a play or athletic contest, or helped plan and attended a dinner-dance or smorgasbord, or became involved in special projects and class discussions, that memories are made of these?

In this yearbook you have captured many of these. In the future you will look through these pages and recall faces and friendships. You will recall opportunities which were yours; some of which you took advantage of and some you did not. As you grow older, you will realize that many opportunities were not yours because of lack of educational facilities.

As you have received a broader and better education than your parents; so you should strive to give your children a better education."

Joseph G. Hampton

Principal's Message

"The first job a person has is to obtain an education. It is one of the most important goals to achieve, because it will affect you the rest of your life.

It is my sincere hope that each Senior at Jeffers has obtained the education he desires. I extend an invitation to the Seniors to come back and visit us after they have graduated."

The Way

The trend today is toward a feminine-ruled society. This is very evident in our school where girls dominate every scene with their intellectual and persuasive powers. The defeated boys finally decided to drop out of the race; thus, becoming mere slaves to the more dominant sex.

Johnny is only a 2 Dab man!

"The Anatomy of John Blom."

New Club is added to our school.

It Isn't

On any typical day at Jeffers the boys have pushed the girls into the background, where girls belong. At times, for the sake of competition, the true rulers let the girls think they have the ability to make decisions.

Hard days of loafing around the water fountain take their toll; and a couple handfuls of aspirin are necessary to soothe tired male brains.

"Seniors, don't let excess worries make you tense and irritable!"

Another day has come to an end.

Senior Honors

Mrs. Horton - Adivsor, Susan Tolonen - President, Pat Rozich - Vice-President, Patty Kamppinen - Secretary, John Blom - Treasurer, Mr. Davis - Advisor.

BOYS' STATE REPRESENTATIVE

"One of the highlights of my years in high school was being chosen as one of the representatives from our school to Wolverine Boys' State. I feel this experience helped me greatly in developing a broader knowledge of governmental operations. I know that I will always remember this incident."

John Blom

CARD SALE CHAIRMEN

One of the main money-making projects of the senior class is the sale of Christmas cards. The students first take orders and then deliver the items to the customers. It requires a lot of time and effort but the rewards are great. The class thanks Ann Juntikka and Karen Karppinen for a job well done.

GIRLS' STATE REPRESENTATIVE

Susan Tolonen attended the Wolverine Girls' State in June of 1963. As one of 400 girls, she participated in the mock government designed to stimulate a lasting interest in and knowledge of real governmental procedures. The varied program combined fun, work, and learning. She was elected to the House of Representatives to represent Alber City.

She thanks everyone who helped make her wonderful trip possible and wishes luck and happiness to the future Girl Staters.

HOMEMAKER OF TOMORROW

Joan Dennis is our school's 1964 Betty
Crocker Homemaker of Tomorrow. She
achieved the highest score here in a written
knowledge and attitude examination given
Dec. 3, 1963, to all Senior girls. General
Mills, Inc., sponsor of the program, has
awarded her with the "Homemaker of Tomorrow" pin to signify her achievement. Her
test paper has been entered in competition
for state honors.

SMORGASBORD CHAIRMEN

The Senior Class was proud of the wellattended smorgasbord which was held in the gymnasium. They would like to thank all of the people who made it possible, especially their own chairmen, Patty Kamppinen and Anne Juntikka.

Action in

Galoshes and heavy winter clothing fill the hallways and later will adorn and protect the students against the winter winds and surprise snow storms.

The pop machine aids in quenching noon hour thirst, as well as serving as a center for social gatherings.

Each noon, candy is sold by our thrifty Freshmen. The sales of sweets have proven to be both a treat to the students and a source of profit to the class.

The School

Mr. Davis and the secretaries are kept busy each morning and noon when the students gather at the office window to buy supplies, obtain excuses, and other materials.

Prospective underclassmen practice often with the hope of obtaining the highly esteemed position of a majorette.

After a hearty lunch and an hour of conversation, students are eager to begin afternoon classes.

1964 Homecoming

The Third Annual Homecoming was held on Friday January 31. Enthusiasm and spirit were built up among the students during the week, as preparations were made for the event.

Highlight of the Homecoming was the crowning of the queen, Edith Hansen, the Junior candidate. Mr. Hampton crowned the queen before a full audience between the Varsity and Junior Varsity games. Fay Johnson carried out the crown and Debbie Sloan the bouquet of roses for Queen Edith.

The band and twirlers entertained the audience during the half time of the Varsity game by marching in precision, while playing several lively tunes.

Although the game with Hancock was not a victory, the spirits of the fans were not dampened. Queen Edith reigned at the dance following.

In Memoriam — John F. Kennedy

A senseless tragedy on November 22nd took a great leader of freedom from our midst.

Though he is now dead, his spirit shall always live on in the hearts of good men.

Words cannot express the grief we all feel. No tribute could be too great to pay to the memory of a man like John F. Kennedy.

Acknowledgment

Our Annual has at last been completed, and we are very proud of it. We hope that all of you enjoy reading it and it may serve in years to come as a happy reminder of the 1963-64 school year.

Many people have contributed to the production of this Annual. We would now like to thank Mrs. Horton and Mr. Davis, our advisors, for all the assistance they have given us; Mr. Jerry DeMotts for his help and patience in taking our pictures; the Seniors who helped in the making of the book and in the selling of the advertisements. It is these people, who have made this Annual possible and we owe them our greatest debt of gratitude.
